REPORTS.

REPORT OF THE COMMITTEE ON THE BIBLE CAUSE.

The Committee on the Bible Cause, beg to submit the following Report:

The success of Bible distribution throughout the world during the present century, is a source of profound thanksgiving to all who love our Lord Jesus Christ, and desire to see His cause prosper.

In 1804, the British and Foreign Bible Society was organized—the first organization for spreading the Scriptures in the world. In 1810 one of the first Bible Societies in America was organized in Charleston, S. C. In 1816 the American Bible Society was formed. Through the agency of these various Bible Societies, with their auxiliaries and others that have been formed since their origin, the Holy Scriptures have been translated into nearly three hundred languages and dialects, and have found their way into most of the kingdoms and nations of the earth, carrying with them the glad tidings of salvation to all classes and conditions of our fallen race.

We are happy to know that the Methodist Church from its beginning, has occupied a place in the front rank of Bible friends and distributors; its great leader in America, Bishop Asbury, long before any Bible Society existed, whenever practicable, carried Bibles with him, and at his own cost, distributed them among the poor and needy; and we rejoice to-day in the relation that our beloved Church sustains to the glorious work of Bible distribution throughout the world.

Our own Conference still maintains its interest in this great cause. The Agent of the American Bible Society, is heartily welcomed among us, and contributions have been sent during the past year from various parts of our work to the General Agent in New York.

We respectfully urge our brethren to keep this interest before our people, and encourage them to unite with Christians all over the earth in endeavoring to hasten the day when the blessed Bible shall become a lamp unto the feet, and a light unto the path of all mankind.

We recommend the adoption of the following:

Resolved, That as a Conference, we are in hearty sympathy with the American Bible Society in its noble work.

Resolved, That we will welcome into our respective fields of labor, the Agents of the Society, and that we will co-operate with them in their efforts to distribute the Word of God among the destitute.

WM. MARTIN, *Chairman.*

REPORT OF COMMITTEE ON BOOKS AND PERIODICALS.

From the information given, your Committee beg to Report:

The last Annual Report from the Publishing House at Nashville is, that the year has been a prosperous one. The business has continued to enlarge. The *Christian Advocate* issues weekly 25,000 copies, and the aggregate monthly issues of Sunday School literature is 439,050.

The total annual business is $240,630. Gain over previous year, $63,807.

Amount of Publishing House bonds retired, $41,225.

Old debt reduced to, $148,875.

Such a Report can not but be gratifying to the Church at large. The House and publications thereof should not only command the confidence, but the patronage of our whole people. The *Christian Advocate* is second to none on the continent, and our Sunday School periodicals are equal to the best anywhere, and ought to be patronized by our people in preference to any other publications of the kind.

The *Southern Methodist Review*, edited and published by Dr. Hinton, at Macon, Ga., being the only publication of the kind among us, is worthy of patronage by our preachers and people, and we commend it to the attention of all.

The *Southern Christian Advocate*, edited by the Rev. S. A. Weber, and published by Walker, Evans & Cogswell, of this city, is entitled to and worthy of the support of the whole Church within our bounds. We think the work of editor and publishers deserve commendation, and we ought to work to increase the circulation of the paper. The weekly issue of the paper is: Paying subscribers, 4,300; Superannuated Preachers, widows and others, 250—total, 4,550.

In answer to a call made recently through *Advocate*, the Editor presented to the Com-

mittee a statement of the Royalty Account from July, 1879, to December 1, 1884, which, for the information of the Conference, we epitomise as follows:

To Royalty received to December 1, 1878	$173 20
To Royalty received to December 1, 1879	204 20
	$377 40
Paid out to end of 1880	392 25
Received to December 1, 1881-82	341 90
Paid out	206 90
To December, 1883	301 20
Total received to December, 1884	$589 63
Paid out to December, 1884	307 10
Balance on hand	$282 53

Your Committee think this royalty ought to be still left in the hands of the Editor, to be expended in procuring contributors and other such expenses.

Resolved, That we will continue our endeavors to increase the circulation of the *Advocate* and Sunday School Periodicals, and as far as we can patronize our Publishing House.

S. LEARD, *Chairman.*

REPORT OF THE BOARD OF EDUCATION.

The Board of Education respectfully submit the following Report:

"The highest result of any form of civilization, and therefore the brightest and topmost flower of Christianity, ought to be found in its system of education; in the perfection of beauty, visible in its mode of training each successive generation for the great work of life." While fully endorsing this utterance of another, we doubt whether the important truth it emphasizes, receives from us that intelligent appreciation it deserves. The expression of such a doubt will not warrant the inference that Methodist preachers and people are indifferent to the relation the Church should sustain to the work of education. Though the fathers of American Methodism gave themselves unreservedly—not conferring with flesh and blood—to the vital work of calling sinners to repentance, and of spreading scriptural holiness throughout the land, yet the earnest, persistent efforts of Coke, Asbury, and their successors, in prosecuting educational enterprises, refute the charge of Methodist indifference to the school-house and college. Your board do not think that this Conference of preachers and laymen needs an argument to convince it of the great importance of the Church providing for the education of her children, and yet the intelligence, wealth and influence of those called Methodists, justify greater expectations than have yet been realized, and demand a more generous, sympathetic and substantial support than has yet been received.

We speak no word of thoughtless criticism, and would not depreciate the value of what has been accomplished. South Carolina Methodists have done well in sustaining their colleges, but as they could, so they should have done better. They have had, and still have, great opportunities. They are not without ample resources for possessing the inheritance offered by a gracious Providence, and making full proof of their ability to enlarge and glorify that inheritance in the salvation and culture of society. The plea of poverty and burdensome taxation will not satisfy, and cannot be accepted while they stand before great open doors, with the command to enter, sounding in their ears. God has given Methodism wonderful access to the people. She has the right of way, and only loving, true and brave hearts, are needed, with open, generous hands to do the bidding of those hearts. Your Board is in sympathy with those who may be embarrassed in their efforts for your colleges, by the objections of some who may oppose this work of the Church. We feel that the greatest wisdom and devotion are required, if the Church is unified in her plans and purposes for the education of her children, therefore we would not dogmatize, and thereby irritate, but with our wisest words spoken in love, would stimulate to greater earnestness, in better efforts for richer and more satisfactory results. We feel assured, that if the preachers and representative laymen will only do what is possible to intelligent, enthusiastic men, consecrated to a great work of the Church, there will be no lack of anything essential to the largest success of your institutions of learning.

Your Board make no apology for again calling special attention to the patent fact, that our colleges must be sustained by generous contributions and increased patronage, if we retain our children as members of our Church. The foundations of the intellectual and moral character of our sons and daughters, should be laid by hands whose skill was acquired under Methodist tuition, and whose heart was converted at Methodist altars. Those who know not the genesis of Methodism, who do not sympathize with her spirit and care not for her mission, should not be permitted to take part in this work. To prepare young men and women for the truest life-work, we regard as the holiest service possible to the Church. Can the Church, will the Church, commit to alien hands and hearts the training of her children who are to administer the inheritance of their fathers and transmit it in its integrity to the coming generations? We answer no, by the help of God, No!

He who understands the pointing of the hands on the dial of the so-called cultured world, outside of churchly precincts, realizes painfully that the hour has come when the Church must act promptly, decisively, wisely, and in the fear of God in the work of moral culture. Recently an intelligent correspondent of one of the leading independent journals of this country, writing from one of the great centres of intellectual life on this Continent, says: "Our schools quicken and develop the intellects of the

young; they do not, except incidentally, deal much with ethics. The greatest need now is for education in morality, and a good conscience. This is a question, too, that the pulpits must grapple with. The ethical forces of the Gospel need to be sent, as from a Divine reservoir, into the schools and homes and shops and streets." These are not the words of a strict Constructionist Methodist. The wisest and most thoughtful men of every creed are realizing that moral character, of the true Scriptural type, is worth more, and therefore needed more by the world than intellectual power. He who is familiar with the current history of his country, cannot look, except with greatest anxiety, upon the recent demonstrations of Communistic Bohemians, Poles and Germans in the City of Chicago. We feel assured that the most quieting answer to such anxiety is Christian young men and women trained in Christian homes, taught in Christian schools and consecrated at Christian altars.

The following eloquent words of the late senior Bishop of our Church, Bishop George F. Pierce, commend themselves with special emphasis at this hour: "With education divorced from Christian morals we hold no fellowship, and unto the assembly of its advocates we would not unite our honor. No; let the Bible be to our Colleges what the Shekinah was to the Temple of the olden time, at once the symbol of the presence and the worship of God, Science herself is blind to the true interests of man until her eyes are opened by the washing in the waters of Siloam's pool. Multiply your academies, erect your colleges, organize your faculties, gather your pupils together, deliver your lectures, seek all the advantages of apparatus and cabinets and libraries; but exclude the Scriptures of Eternal Truth and you turn loose upon society minds full armed for mischief. The rod which in Aaron's hand would have budded and bloomed, you convert into a serpent that will devour well nigh all the virtues of the land. Let politicians make penal enactments and seek to bind depravity with human laws, as did the Philistines the man of Gaza with feeble cords; but be it our labor to plant society in the shadow of the Eternal Throne, draw over it the shield of Omnipotence, and protect its interests with the thunder that issues from the thick darkness in which Jehovah dwells. Talk ye of Pierian springs, and Castalian founts, and Arcadian groves, give me the testament of Jesus, the inspiration of the Cross, the baptism of the Spirit. Let the dying enemy of God bequeath his millions to rear a marble monument, within whose capacious dimensions the fearful experiment is to be made of raising men without religion—but on this institution rest, forever rest, the dews of Zion and the smile of God."

Wofford College.

Its present patronage is larger than at the corresponding period of last year, notwithstanding the financial embarrassments of our people. While this is encouraging, still there should be a decided increase in the number of its students. This result can be secured if we will only earnestly strive to take care of our own. It is gratifying to the authorship of the College that quite a number of the young men are pursuing their studies with a view to the ministry. Many among us, who are called of God to preach the Gospel, look to Wofford for their intellectual preparation. For them alone the generous sustentation of the College would be a profitable investment. Our people are demanding not only spiritually-minded men, fully consecrated to their work, and Scripturally sanctified in their hearts and lives, but they insist that their teachers, those who are to instruct in the deep things of God, shall be thoughtful, studious men, always carrying beaten oil into the sanctuary of the Lord.

In connection with this part of the work of Wofford College, and as specially pertinent, we quote from the admirable sermon of Bishop Foster at the opening of the recent Centennial Conference: "The future will demand, with ever increasing emphasis, that men who wear priestly robes, and minister at holy altars, shall be worthy to wear the sacred vestments—capable of speaking to men, and deserving to be heard by men. There is, we are bold to say, no greater need to the Church of to-day, than to give heed to the character and quality of its priestly order. For its pulpit and its altars it must have men who intelligently understand its Divine Creed, and who are competent and faithful expounders of it. Men, not novices; priestly men, of unsullied robes; holy men, whose hands are washed of mammon, and whose lips are pure and clean—keep the law of God—men of creed, not of wealth, of fame, or applause of men, but of soul; men who quarry in the mines of truth, and have skill to bring forth its precious ingots and Kohinors. Beyond all question there is need for improvement in the matter of intellectual training for the pulpit, and the quality of its utterance. The men who, by the appointment of God, are called to lead the age, must be abreast—in advance—of its highest thought. It will be impossible for the pulpit to hold its place of power without this. The Prophets were far in advance of their times. Whenever religious teachers have fallen behind the great thinkers, religion has declined, and will."

For young men who expect to preach, and others of limited means, the expenses of a thorough course have been reduced to the minimum. Boarding in the Mess Hall, a young man with proper economy, who pays no tuition, needs only $100 for necessary expenses, and paying tuition, from $140 to $160. It is unfortunate that such cheap accommodations are limited to about thirty students. Such limitation deprives a large number of a collegiate education. The Church should provide for them. By the erection of inexpensive and suitable buildings this can be easily done. Will not our wealthier men and the liberal ones of limited means embrace this opportunity? With such buildings, known at Emory College, Ga., as "Helping Halls," the patronage of your institution in all probability would be doubled.

Your Board are not able to report the amounts subscribed for the "Centennial Endowment Fund" of Wofford College, and for the liquidation of the debt of the Columbia Female College. The reports of Centennial Offerings for the different objects presented to our people, have not been tabulated so as to give the exact amount for each object. The amount of cash received for endowment of Wofford to date is $7,894 55-100, and for liquidation of debt of Columbia Female College $265 83-100.

This Conference, at its Session in 1882, resolved to raise $100,000 as an Endowment Fund

for Wofford College, To this resolution we should feel pledged until the whole amount is realized, The Financial Secretary of the College will cheerfully give to the Conference any information desired concerning its financial condition.

The following clerical members of your body—J. Marion Boyd, W. D. Kirkland and A. Coke Smith—have been chosen to fill vacancies in the Board of Trustees, occasioned by the resignation of H. A. C. Walker and W. P. Mouzon, and the removal of J. T. Wightman from our midst.

Columbia Female College.

This institution has enjoyed a year of marked prosperity. There are at are at present in the College sixty-nine boarding pupils and thirty-six day scholars. The building has been thoroughly repaired and elegantly refurnished. The College continues to offer to the daughters of our Church and State the advantages of a first-class institution of learning, and the conveniences of a most comfortable home.

It is recommended that the present Board of Trustees be continued in office.

Cokesbury Conference School.

The Rector, Mr. C. C. Reid. reports this School in good condition, having a patronage of about sixty-four pupils, with gratifying results in the general good deportment and faithful work of the students.

We recommend the appointment of the following Board of Trustees: The Presiding Elder of Cokesbury District, the Preachers in charge of Cokesbury Circuit, Greenwood Circuit. Donnald's Circuit and Abbeville Station, with Messrs. W. A. Moore, C. S. Smith, G. W. Connor and J. W. Miller.

Paine Institute.

Your attention is called to this institution by a special Report, submitted to this Conference by its late President. Notwithstanding the steady increase in pupils and the faithful work of the teachers, the Institute is financially embarrassed and appeals to you for help. Being established for the training of Colored Teachers and Preachers, we would recommend it to the prayers and the generous sympathy and support of our people.

Your Board recommend an assessment of four thousand dollars ($4,000) for the ensuing year to be applied to the current expenses of Wofford College.

The Board requests the Bishop to make the following appointments: A. M. Shipp, Professor in Vanderbilt University; W. W. Duncan, Professor in Wofford College; O. A. Darby, President of Columbia Female College; S. Lander, President of Williamston Female College, and G. W. Walker, President in Paine Institute.

Rev. Wm. Martin has been appointed to preach the annual sermon before the undergraduates at the next Session of the Conference.

The following resolutions are submitted for your adoption:

1. *Resolved*, That we will earnestly co-operate with the President and Financial Secretary of Wofford College in their plans for the endowment of that institution, and hereby cordially invite them to our respective charges during the ensuing year.

2. *Resolved*, That the effort entered upon at the last session of the Conferenee to raise twelve thousand dollars for the payment of the debt of the Columbia Female College be continued through the present year. Also, that the members of the Conferenee welcome the President of the College to their charges, and extend to him such aid as they may be able in this important work.

W. W. DUNCAN, *Chairman.*

REPORT OF SUNDAY SCHOOL BOARD, S. C. CONFERENCE, 1884.

The Sunday School Board congratulates the Conference on the increasing interest of the Churches in the Sunday Schools. The County Conventions, wherever they have been held, have contributed to the improvement of the schools, and, in the judgment of the Board, should be held annually, wherever such organizations are practicable. Let the pastors of Churches at the County seats see to this.

At our last Conference, pastors were instructed to place in a foot-note of the statistical report, the number of admissions into the Church from the Sunday Schools. Only 48 of the 142 charges have complied with this instruction. These 48 charges report 807 who have entered the Church from the Sunday School. This fact is encouraging, and the Board insists upon every pastor's attention to this Conference requirement.

The Board earnestly invites the adult membership of the Church generally, to join the Sunday Schools, either as teachers or as members of Bible Classes. They recommend the use of our excellent Sunday School literature; and particularly advise the teachers to take the Sunday School Magazine, that they may be properly prepared to teach.

The Board most emphatically urges upon officers and teachers the great importance of constant attention to two things, viz: *punctuality* and *a careful preparation of the lessons.*

The Board urges upon the preachers in charge, and the Quarterly Conferences, in the annual election of Sunday School Superintendents, to strive earnestly to place in that very important office, only such as are believed to be the best qualified, and not to permit a consideration of either age or long service to unduly influence them to elect or re-elect inefficient persons, however worthy in other respects they may be.

The Board offers the following resolutions:

1st. That each pastor shall read to the Sunday School the Report of the Board.

2nd. That at some time during the month of May, a day be observed as Children's Day, and that on the Sunday following, the services be devoted specially to the children.

3rd. That Superintendents and teachers be exhorted to keep in view the spiritual life of the pupils, as the end of *all* effort.

4th. That the foot-note containing the number of children entering the Church from the Sunday School be printed upon the statistical blanks.

REPORT OF BOARD OF DOMESTIC MISSIONS, FOR THE YEAR 1884.

CHARLESTON, S. C., Dec. 22d, 1884.

During the year now closing, this Board has extended aid to nineteen missions, and weak circuits. These are distributed throughout the State. The reports from most of these charges indicate that the money and labor bestowed have not been in vain.

Special attention is directed to the Charleston City Mission. Beginning with no membership and no house of worship, two years ago, it has grown wonderfully, having now a house of worship and about one hundred and fifty members. Nearly one hundred members have been added during the present year. Much might be said of the progress of other charges, but we forbear.

We would not undervalue the importance and necessity of our Foreign Missionary work, neither would we fail to magnify the Domestic work. Large sections of our country, and large classes in our cities need the gospel, yet know not their need. They do not utilize the opportunities and priveleges already given by the several denominations of Christians, because of their ignorance of their spiritual need. We must carry the gospel to them, as well as to the heathen.

The successes and failures of the past, in this line of work, but serve to arouse us to a fuller appreciation of the needs of our destitute fellow men, and of the duty which the Master places upon us. Hence we resolve to press onward, with that vigor and that wisdom which come from above, to the more efficient accomplishment of our great and important Home Mission Work.

Missionary Anniversary Meeting.

This anniversary was held in Trinity Church, on Saturday night, Dec. 20th, the President of the Conference Board of Missions, Rev. W. C. Power, presiding; Rev. Messrs. A. Coke Smith and G. G. Smith conducted the opening religious devotions.

The reading of the usual report of the secretary of the Conference Board of Missions was dispensed with, by order of the Board.

Rev. C. F. Reid, one of our Missionaries to China, now at home in America for a time, was introduced, and delivered an earnest and interesting address upon the work of our Church in China.

The President followed with a short address, and announced that Rev. A. Coke Smith would conduct the remaining exercises of the hour.

Rev. A. Coke Smith then read the annual report of the Women's Foreign Missionary Society for 1884, after which he delivered an earnest appeal for the work of missions.

A collection was taken, which resulted in the amount of Fifty-eight Dollars (58.00) cash, which was divided equally between the Home and the Foreign works.

After singing the Doxology the congregation was dismissed with the Benediction.

REPORT OF THE COMMITTEE ON TEMPERANCE.

Your Committee are pleased to be able to Report:

That there has been a great advance in public sentiment on the subject of temperance during the past year. It has now become the absorbing question of the age. Good men of all shades of political and religious opinions have become convinced that the liquor traffic is a monstrous iniquity; "a dynamite in our modern civilization;" a fell destroyer in our communities; an immense promoter of crimes and miseries of all descriptions; and a most formidable hindrance to the advancement of our Redeemer's kingdom in the world.

License—high or low—is proved to be a delusion and a snare. It makes legally right that which is morally wrong. It throws the shield of Government protection around an iniquitous traffic, and thereby increases its power to do its damning work. The Local Option Law, while it has proved of great benefit in communities where it can be adopted and enforced, fails in several particulars to meet the object at which we should constantly aim, viz: The entire suppression of the liquor traffic. Nothing short of entire prohibition will meet the case.

The influence of our Church on all moral questions in this State is immense. Our responsibility is in exact proportion to our influence. There is no moral question that appeals to us for sympathy and help that has such claims upon us as this one, and there never was a time when its appeals were louder than at present. Liquor dealers are uniting their forces as never before, and are making every effort to control Legislatures, Councils and the ballot box in the interests of their nefarious business. They are warned by the growing sentiment in favor of legal prohibition that the tide is setting strongly against them—hence their intense activity. As citizens, as Christians, and as a Church that is true to its record on this question, we should stand forth in pronounced antagonish to their fiendish purposes.

Your Committee would therefore recommend the adoption of the following resolutions:

1. That as a Conference we are persuaded that total abstinence and legal prohibition are the only effectual remedies for the entire removal of the evils of intemperance.
2. That as no civil or ecclesiastical legislation is sufficient to remove the evil, unless it be sustained by an enlightened public sentiment, we would urge the importance of definite preaching upon the subject, of holding public meetings for addresses on the same, and the circulation of temperance literature.
3. That we recommend the organization of Bands of Hope or Juvenile Temperance Societies in connection with our Sunday Schools, wherever practicable.
4. That we earnestly recommend our people to banish from among them the dangerous and injurious custom of using alcoholic beverages at their social gatherings, and be mindful of the Apostle's injunction: "Take heed lest by any means this liberty of yours become a stumbling block to them that are weak." 1 Cor., 8, 9.
5. That we would express our hearty sympathy with the noble work being accomplished by the Woman's Christian Temperance Union in this State, and would urge the Christian women of our Church to co-operate in this grand movement.
6. That we recommend the *Temperance Worker*, the organ of the United Temperance Organizations of the State, to the patronage of our people.

H. F. CHREITZBERG, *Chairman.*

DISTRICT CONFERENCE JOURNALS.

The Committee on District Conference Journals beg leave to make the following Report:

In the opening sentence of the Charleston District Journal, the abbreviations "S. C.' are used in designating the name of the Annual Conference, instead of its being written in full; and there are other abbreviations that are objectionable. It contains many erasures, and the corrections made are in a different hand-writing from that of the original. There are numerous instances of incorrect spelling. In its general appearance it is wanting in neatness and care.

The Journal of the Orangeburg District in its first sentence exhibits the unnecessary repetition of the word "District," and an improper construction of the sentence. Otherwise this journal is very correct, and presents a very neat general appearance.

The Columbia District journal contains the same objectionable abbreviations "S. C.," in designating the name of the Annual Conference. The word "led" is used in reference to religious services where the term "conducted" would be preferable. There are various omissions of words, an example of which occurs on the first page where the word "delegates" should have been inserted.

Numbers are frequently expressed in figures instead of letters. Owing to the numerous instances of the improper construction of sentences, the utter want of punctuation, and the great lack of the proper use of capitals, it is frequently difficult to arrive at the intended meaning. Where the report of the Marion Street charge concludes, and that of the City Mission begins, no space is left to indicate this change. The name of the Secretary is signed in a different hand from that in which the body of the Journal is written. Frequent erasures occur, and blots are very numerous. The last three pages of this Journal, however, are neatly and well written.

The Journal of the Cokesbury District contains, in the opening paragraph, the same abbreviations "S. C.," in designating the name of the Annual Conference, to which

objection has been made; also the superfluous repetition of the word "District," and omits the term "Annual" before "Conference." The omission of the right use of a capital after "1884," also occurs in the same paragraph. Otherwise this Journal is exceedingly neat and well written.

The Greenville District Journal omits the name of the Annual Conference, and contains an improper abbreviation of the word "Assistant," on the opening page. It states that certain brethren were "present at" the morning session, instead of stating that they answered to their names. The general appearance of this Journal is very good.

The Spartanburg District Journal is not only free from error, but exhibits a great degree of neatness.

The Journal of Chester District omits the name of the Annual Conference. It says "the first session of the Chester District Conference." In all places, numbers are stated in figures instead of letters. There is a general lack of the proper use of capitals. There is not sufficent space left between paragraphs. It omits the name of the *Southern Christian Advocate*, in referring to that paper, and speaks of it as the personal property of Brother Weber, calling it "his" *Advocate*. However, this Journal has a neat, general appearance, with the exception of the last page, which is extensively interlined. Its pages are not numbered.

The Sumter District Journal uses the abbreviations "S. C.," instead of writing the name of the Annual Conference in full. The number of the session is stated in figures instead of letters

It refers to the District Conference and Sunday School Convention in such a way as to render it sometimes impossible to know clearly which is intended. The word "continued," is omitted in the statement referring to the Second Session of a certain day. There is a lack of sufficient space between paragraphs. Numerous blots and erasures occur, which give it an untidy appearance.

With the exception of the omission of the word "Session," in the opening sentence, there is nothing objectionable in the Journal of the Florence District.

The Marion District Journal is not only free from all error and imperfection, but deserves the highest commendation on account of its exceedingly neat appearance.

S. P. H. ELWELL, *Chairman.*

REPORT OF THE COMMITTEE ON MINUTES.

The Committee on Minutes beg leave to report:

That they have audited the accounts of the publishers for last year, and find them correct.

The unexpended balance from last year is	$ 30 07
Received from the Charges this year	406 35
Total	$436 42

The last issue of the Minutes seems to the Committee to be deserving of great praise. In comprehensiveness, in felicity of arrangement, and in neatness of mechanical execution, it is all that could be desired; while the few errors it contains may be pardoned in view of the promptness with which it was brought out.

We would respectfully nominate Rev. Messrs. Wm. C. Power and H. F. Chrietzberg as editors and publishers of the Minutes of the present session.

We recommend an assessment on the Conference of $500 for defraying expenses of the Secretary's office and publishing Minutes.

Signed on behalf of the Committee,

A. J. STAFFORD, *Chairman.*

V. C. DIBBLE, *Secretary.*

MEMOIRS.

REV. JOHN FINGER.

Rev. JOHN FINGER was born in Lincolnton Co., N. C., December 30th, 1813, and died at Williamston, S. C., January 13th, 1884. He was converted and joined the Methodist Church at Maybinton Camp-meeting, in Union Co. S. C., in August, 1843. He was admitted on trial in the S. C. Conference, in 1848, and was a member of the Conference thirty-five years and six months. He was appointed to the Greenville Circuit in 1849, Pickens Circuit in 1850 and '51, McDowell Circuit in 1852, Morganton and McDowell Circuit in 1853 and '54, Catawba Circuit in 1855, Tyger and Enoree Miss., in 1856, '57, '58, and '59, Lincolnton Circuit in 1860, Santee Miss., in 1861, Goshen Hill Circuit in 1862 and '63, Pineville Circuit in 1864 and '65, Lincolnton Circuit in 1866 and '67, Rock Springs Circuit in 1868, Mt. Pleasant Circuit in 1869 and '70, Tumbling Shoals Circuit in 1871, '72, '73 and '74, Pendleton Circuit in 1875, Fork Shoals Circuit in 1876 and '77, Brushy Creek Circuit in 1878 and '79. He was superannuated in 1880, and remained in that relation until his decease. He was married to Miss Hannah E. Avery, daughter of James and Elizabeth Avery, of Burke Co., N. C., in 1853.

Bro. Finger was a man of medium stature, had naturally a good constitution, and never lost a year from the effective ministry, until his health failed and he was superannuated. Even after this he continued to preach almost to his death. He was a fair preacher, well versed in the Holy Scriptures and was an earnest and faithful expounder of the doctrines and precepts of our holy religion. He was a man of deep piety, and lived up to the rules of Methodism after the primitive style. He won the affections and had the confidence of the people wherever he went, and Christians of every denomination spoke of him in the kindest terms. Very early this year his health grew worse, and we feared that his end was drawing nigh. He kept up, however, and worked until within a few weeks of his death. He frequently spoke of his end and expressed a readiness to depart and be with Christ. The night before his death he asked his wife for the Bible, that he might once more unite with her in family devotion, and the next morning at seven o'clock he was stricken down while sitting up in bed, and never spoke again. In the afternoon, at four o'clock, his spirit passed calmly and peacefully away. His funeral services were conducted the next day in the presence of a large congregation in the Methodist Church, and his remains were laid in the Williamston Cemetery, there to await the resurrection of the just.

"Servant of God well done,
Rest from thy loved employ!
The battle fought, the victory won;
Enter thy Master's joy."

REV. L. SCARBOROUGH.

Rev. L. SCARBOROUGH, so well known to the members of the South Carolina Conference, of which he had been an honored member for forty-seven years, passed to his reward on the morning of the 22d May, 1884, about the beautiful hour of sunrise.

He died as the tender and innocent babe falls asleep, when enfolded in a mother's arms. So easily, calmly and sweetly did the venerable servant of God fall asleep in Jesus. So gently was the silver cord loosed, that loved ones watching by his bedside did not know when the last breath

was drawn, which forced his redeemed and blood washed spirit from its frail tabernacle, to find its lasting quiet in the arms of infinite love. The writer, as pastor, spoke to him on several occasions in reference to his latter end, and the answer always quickly came, that he was ready at any moment; all was bright; he was only waiting for his Master's summons, saying, "It is enough; Come up higher."

Bro. Scarborough was born August 6th, 1809, in Montgomery Co., N. C. His parents were from Virginia, but moved to the State of his nativity. He was converted and joined the Methodist Church in early life. Soon after he was licensed to exhort, in which capacity he exercised his gifts for about twelve months, when he was licensed to preach, and served one year in the local ranks. He soon felt that God had a more extended field of usefulness for him; he therefore applied for admission in the Conference, and was admitted in 1837. He served twenty-nine years on Circuits, five years on Missions, and for thirteen years he sustained the relation of Superannuate, which relation he held up to the time of his death.

Our venerated and beloved brother was in every sense a self-made man, for his educational advantages were exceedingly limited in his day; yet, by his application and perseverance, he rose to the plane of a useful, forcible and instructive preacher. His reading was chiefly confined to the Bible, and a few works of standard theology. He was well acquainted with the polity and doctrines of the Methodist Church; the latter he was every way qualified to defend whenever assailed.

While Bro. Scarborough possessed eccentricities of character, which, with some people militated against his usefulness, yet we believe there were none who questioned his piety. He had his own way of preaching, and methods of work, which gave to him a personality, which sometimes attracted crowds to hear him; and very often those who went in curiosity to laugh at some of his peculiarities, went away conscience stricken, to weep and pray.

The active days of his ministry extended from the mountains to where the tide ebbs and flows, and many were the souls added to the Church through his instrumentality; and many will be stars that shall beautify his crown in the day of the Lord Jesus.

His body sleeps at old Miller's Church, in Marion county, to await the resurrection morn. Well done, good and faithful servant, enter thou into the joys of thy Lord.

REV. SAMUEL JACOB HILL.

Rev. Samuel Jacob Hill was the son of a Methodist preacher, the Rev. Jacob Hill, a member of the South Carolina Annual Conference, for forty-four years. He was born April 19th, 1835. His conversion was early in life. From the period that his character first manifested itself, the sterling qualities of firmness, and decision, softened by gentleness, which marked his whole life, were apparent. These, again were surmounted by a warmth of love for God and man, which gave tone to his utterances, and permeated his whole nature, winning, attracting and developing affection wherever he was associated.

He entered the Cokesbury Conference school, February, 1853, where by studious habits and Christian character exhibited, made for himself an honorable record. While a student at Cokesbury, he was licensed to exhort, August 21st, 1853. He joined the South Carolina Conference, November, 1855, and received the following appointments: Union Circuit, 1856; Edgefied Circuit, '57. Was received into full connection, 1858. Pacolet Circuit, '59; Greenville Station, '60, '61; Wadesboro Station, '62, '63; Chaplain, N. C. Regiment, C. S. A., '64, '65; Sumter Circuit, '66, '67; Manning Circuit, '68 '69, '70; Sumter Circuit, '71, '72; Bishopville Circuit, '73, '74, '75, '76, Buck Swamp (Mullins Circuit), '77, '78, '79, '80; Little Rock Circuit, '81, '82, '83; Sumter Circuit, '84, where he ended his life of active usefulness, in blessed peace, June 14. The wisdom, strength and beauty of his Christian and ministerial character, were held forth in the fact that he closed his career in the midst of a full current of useful acceptability, on a circuit, and among a people to whom he had four times been previously appointed. As a preacher he was plain, clear, practical, and forceful. As a pastor, he was adapted alike to the palace and the hut, to the house of mourning and of mirth, never forgetting his high calling of God in Christ Jesus. As a counsellor, he was wise and true. With such characteristics, the fact and the conclu-

sion are alike irresistible, that his life-work was successful. And while there is abundant material here for profitable elaboration, the attendant circumstances do not admit it, and the whole is comprehensively summed up in this truthful statement. There are seals to his ministry on earth, and stars to glitter in his immortal crown, of souls won for Christ.

He was united in marriage with Miss Martha Jane Rembert, of Sumter, S. C., June 22d, 1865. They were happily adjusted to each other, and their union being sanctified by the holiest principles, their married life was unflecked by a cloud, or marred by a single discordant note. She with eight children, mourn him, whom we commit to the God who promises to be a father to the fatherless, and a husband to the widow. His last illness was painful and protracted, but he suffered and died just as such a life would warrant. While his spirit is enthroned with the Master, his memory is embalmed in our hearts.

REV. JOHN B. MASSEBEAU.

Rev. JOHN B. MASSEBEAU died near Branchville, S. C., August 25th, 1884. He was born in Camden, S. C., June 15th, 1836. His ministry extended over a period of twenty-six years. Very early in his life he assumed the obligations of Church membership, and was noted for his devout and exemplary conduct, exerting a wholesome religious influence over his youthful companions. When seeking the assurance of acceptance in Christ, he wrestled at the altar of the old Methodist Church, in Camden, till near dawn. There and then the true light shone upon his soul, never to be eclipsed, but to shine on unto heaven's eternal day. Thenceforth his life was consecrated to God and duty. When called to preach he dismissed the school of which he was principal, and after spending some time at Wofford College, joined the South Carolina Conference at its Session of 1858. The light of his piety was steady and uniform. Free from the turbulence of passion, and the coldness of indifference, he pursued the even tenor of his way, discharging conscientiously the high responsibilities of the Christian Ministry. In all the relationships of life, he manifested tenderness, self-forgetfulness, and unwavering adherence to the requirements of the gospel. Though not demonstrative, he was profoundly reverent and devout in spirit, without the slightest tinge of morbidness or asceticism. Ever placing before himself the highest ideals of truth, purity and goodness, he had humble views of his own attainments, yet the erring and sinful found in him the tenderest consideration. The spirit of true Christian love breathed in all his utterances, and inspired his judgment respecting others. At the bedside of the sick and suffering, and in the abodes of poverty and wretchedness, his tenderest ministries were exercised. Though thoughtfully appreciative of the claims of social life, and enjoying its amenities, he never by word or act compromised his ministerial character. No mere perfunctory performance of duty could satisfy a man of his mold and spirit. "Beaten oil for the sanctuary" was his motto as a preacher, and his sermons indicated careful and prayerful preparation.

His style was simple, chaste and clear, his language adapted to the comprehension of the most illiterate. His object seemed to be to make his hearers understand what he conceived to be the mind of the spirit, and thus led them to Christ.

A prominent minister who knew him intimately, says: "As a preacher he was clear, instructive and spiritual. He always got into the marrow of his text. There were few better theologians." A thoughtful layman says: "Massebeau was not what is termed a revivalist, but he was a solid, sensible, faithful preacher, and a good man." The efficiency of his pulpit ministrations was assured and heightened by fidelity in the pastorate.

The people bear ample testimony to this feature of his work. The facts of his own personal experience were interpreted in the light of the divine *ultimatum*: "All things work together for good to them who love God." Believing in the providential direction of his ministerial appointments, he cheerfully and unreservedly submitted himself to the authorities of the Church. Nor could any field of labor, however uninviting, or stress of circumstances dampen the ardor of his zeal. Genial, frank, confiding, he harbored no envies or jealousies towards his fellow laborers. He loved them to the last with a pure heart fervently. He was a genuinely modest man. No one

ever heard him boast of his own achievements. None who knew him ever doubted the sincerity of his motives. In his own loved home his virtues shone brightest. None who shared the hospitalities of that home, can forget the cheerful, unaffected piety that enriched and hallowed his domestic life. The saintliness of his character gives assurance of his everlasting blessedness.

Farewell, Brother beloved. We shall meet again on the shining shore.

REV. THOMAS B. BOYD.

Rev. THOMAS B. BOYD was born in Charlotte, N. C., November 8th, 1841. In early childhood his parents moved to Camden, S. C., then to Yorkville, S. C. His educational advantages were enjoyed first in King's Mountain Military School, then at the State Military School in Columbia, S. C., and lastly at the Citadel Academy, of Charleston, S. C., where he remained until called into the field of service, in the late war between the States, December, 1864. In 1866, he was married to Miss Mary J. Easterling of Orangeburg Co., S. C. Not long after his marriage, he connected himself with the Methodist Episcopal Church, South, and was converted to God at Boiling Springs Camp-meeting. In 1879, he was licensed to preach, and in 1880 he served the Barnwell Circuit as a supply. In December, 1880, he was admitted on trial, into the South Carolina Annual Conference. In 1881, he served the South Abbeville Circuit. During the early part of this year, there were manifest indications of disease and bodily failure, but he labored on in his loved employ. In 1882 and '83, he was in charge of Foreston Circuit. In 1882 he was received by the Conference into full connection. He went from the Conference sick, but he persisted in labor until May, 1883, when it was evident to his friends that his ministerial work was done. He was urged by his Presiding Elder to rest, and his place was supplied, until he returned in November, to close up the work of the circuit for Conference. At this Conference he was granted a supernumerary relation. Disease encompassed him in its deathly grasp, soon after the adjournment of Conference, but he languished and lingered, until the night of April 4th, 1884, when his redeemed spirit was triumphantly delivered from his suffering body. He passed away to his heavenly reward in the 43d year of his mortal life.

As a preacher he was faithful to the last degree, though during his short experience as a pastor, he served in much bodily weakness and suffering, yet he served efficiently. His faith was unfailing, through all his sufferings; trust in God was the stay of his soul. To a brother minister, the day before his final triumph, he said, "I have reached that point where there is no limit to my faith; no matter how far He carries me, it cannot be too far to trust Him. Though He slay me, yet will I trust Him." His mind was clear, calm and peaceful, to the last. His trust simple unwavering, boundless. Just a few hours before his spirit departed from the body, he took the hand of his brother-in-law (who had just reached his bedside), in both his, and said, "The blessing of the Lord rest upon you." Later he said, "Let me fold my hands, and be in an easy position to pray." Amid the hushed silence that then reigned, the calm features told the loving watchers that all was peace within. The end came at last. Without the change of a feature of his face, without a murmur or a sigh, gently and peacefully closed his life, as sinks the sun beneath the empurpled glories of the west, to arise with more resplendent light upon the coming day.

He bequeathed to the Church he loved so well, a wife and only daughter.

REV. ROBERT LEE HARPER.

Robert Lee Harper was born in the City of Exeter, England, February 11th, 1845. When he was about ten years old, his father moved to Canada. There our brother grew to manhood, and there he was converted. Was called to preach, and began his ministry. After preaching about two years, his health was threatened, it became necessary for him to seek a milder climate. In April, 1866, he came to Charleston, S. C. Meeting Dr. F. A. Mood, he was encouraged to enter the Methodist Episcopal Church, South. In December of that year, he was received into the South Carolina Conference, and was sent to Cheraw. In 1868, he was in charge of Greenville. At the close of this year, he was transferred to the Memphis Conference, and was appointed to Iuka Station, for 1869, and again for 1870. During the latter year he returned to South Carolina, and the remainder of his life-work was done in our midst.

Our churches entrusted important charges to Brother Harper, and he was worthy of every trust. From mountain to seaboard, in country, village, city, he went, and everywhere distilled the perfume of a saintly life and proclaimed the grace which brings salvation. Pure in thought and word and deed, he lived high above the common walks of men. As a man, simplicity and gentleness were blended with solid judgment and unyielding decision. As a Christian, his experience was clear and his life harmonized with his profession. He grew in grace day by day. Finally, he claimed to be entirely sanctified—soul, body, mind, and spirit—and others saw in him "the beauty of holiness." As a preacher and pastor, he was gifted and faithful. His sermons were sacred poems and were delivered with the power of the Holy Ghost. His pastoral labors were labors to save the lost, to build up the believing, to comfort the sorrowing. His visits from house to house were visits which sought the welfare of the souls committed to his care.

Brother Harper was twice married—first, to Miss Mary Sanders, of Cheraw, S. C., and next to Mrs. Harriett Clapp, of Iuka, Mississippi. In both cases his choice was wise. His wives were helpmeets to the man and to the minister.

In 1880, Brother Harper's heath failed so rapidly, that he asked and was granted a supernumerary relation. Strengthened by the year's rest, he reported for work in December, 1881, and was appointed to Abbeville Station for 1882. He was returned to the same charge for the ensuing year. He never lived better nor labored more faithfully, than during these last years. He knew the time was short, and with heart and life baptized with celestial fire, he proclaimed God's grace and persuaded men to accept Jesus. Towards the close of 1883, he was stricken down by disease, and when our Conference convened, he seemed to be at the border-land of heaven. His brethren sent him a loving message, and placed his name on the superannuated roll. He rallied a little, and went to his home at Iuka, and there he suffered and worshipped as his life ebbed fast away. As he faded, his thoughts were divided between heaven and its companions, and the field of his earthly toil and his brethren of this Conference. "Tell them," said he, "I love them all, and I die at my post." When, on the morning of August 17th, 1884, the sun poured its light upon the watchers at his bedside, the spirit of our brother ascended with angelic convoy to that city which has "no need of the sun, neither of the moon, to shine in it;" for the glory of God doth lighten it, and the Lamb is the light thereof."

GOOD WORDS.

After a somewhat extended and careful examination we have no hesitancy in pronouncing this a book of great merit. We like the method of arrangement and all the selections made. Dr. Haygood is well known among us for his literary taste and experience Prof. McIntosh is a master in his line and in other publications has proven his ability and orthodoxy. The book is handsomely bound and gotten up with admirable skill.

[*New Orleans Advocate.*

The names of the editors give assurance of a good book. Dr. Haygood is a scholar, and has literary experience and ability of a high order. Prof. McIntosh is a musician, a sweet singer, whose native genius has been polished by assiduous cultivation. Its typography is beautiful.—*Nashville Advocate.*

"Rev. H. H. Parks, P. E. of the Augusta District, who urged the last General Conference with such convincing speech to prepare at once for the publication of such a work, and carried his resolution, but never got the book, and whose judgment is safe in such matters, said in our office, the other day, as he turned over the leaves of this book, 'This is the thing—the very book I want. I am for it—it will supply our want, and prevent some of our Churches from going away from us for hymns and music.'"

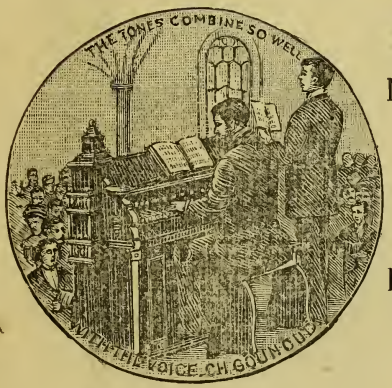
"A look through this book will convince any one that it is the best—we think the very best—collection of music and hymns that the public has received in a very great while. Prof. McIntosh is known to be an excellent musician, and Dr. Haygood knows how to address the heart of the Church. The combined taste and judgment of these two distinguished men have certainly resulted in a very choice collection of music for social and religious meetings. It will, we think, soon be without a rival in our prayer meetings, camp meetings, etc."—*Alabama Advocate.*

NOT BUILT TO SELL. "A clerical friend at our elbow who has preached in hundreds of country churches, and addressed hundreds of Sunday Schools, says he can almost always tell when a Church or Sunday School has a Mason & Hamlin Cabinet Organ. He has often been annoyed beyond endurance by the sufferings produced by broken-winded and otherwise infirm instruments; but he has yet to see the first Mason & Hamlin Organ, large or small, which failed to give satisfaction. The Mason & Hamlin Cabinet Organs are not 'built to sell.' Everything that money and skill can put into them to give lasting worth, is found in these instruments."—*From the New York Christian at Work.*

MASON & HAMLIN ORGANS.

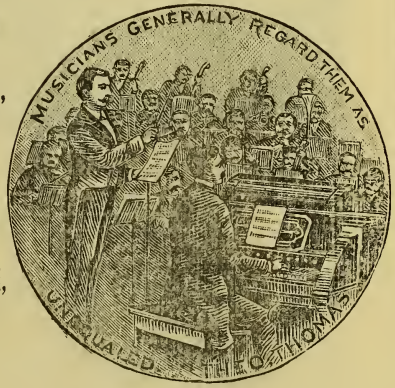
BEST FOR CHURCHES & SABBATH SCHOOLS.

Cost but Little More than Inferior Organs. Possess Twice the Actual Musical Value and Will Last at Least Twice as Long.



NOT
Lowest Priced, Poorest and Dearest,

BUT
Highest Priced, Best and Cheapest.



ORGANS TOO GOOD

The remark is often made to the Mason & Hamlin Organ Co. by dealers in Instruments: "You make your Organs unnecessarily good. Ordinary purchasers cannot appreciate the difference between your Organs and those much poorer; at least, not until they have had them in use some months. If you would make them cheaper you could pay us larger commissions, and we would sell more for you."

Certainly there is truth in this, and the temptation to cheapen is so strong that we do not wonder it is generally yielded to. But it never will be by the Mason & Hamlin Organ Co. Their standard will always be what it has been, the very highest.

There is a great difference between the lowest priced and the cheapest thing. In the matter of Organs, it is impossible that the lowest priced should be the cheapest.

WILLIAMSTON

Female College,

WILLIAMSTON, SOUTH CAROLINA.

In closing the thirteenth year of its life and labors, the most successful one in its whole career, the Institution tenders thanks to the public for the liberal patronage it has enjoyed, and looks with hope and enthusiasm for still greater success in the future.

The attention of the reader is respectfully invited to its

LEADING PECULIARITIES.

1. THE COLLEGE YEAR, beginning on the first Monday in February, and continuing forty-five weeks, is divided into nine "Sections" of five weeks each. A pupil may enter equally well at the opening of any Section, inasmuch as a complete re-organization takes place, and new studies are taken up. Each pupil may enjoy a vacation of five weeks, or of ten, whenever her case may require it. A low-country pupil may enter in March, April, or May, and enjoy our bracing Piedmont climate till the sickly season is over, and then go home with safety.

2. THE ONE STUDY PLAN.—During the Mathematics Section, each Academic pupil recites three times a day in Artthmetic and once in Spelling; and each Collegiate pupil three times in either Algebra, Geometry, or Trigonometry, once in Arithmetic, and once in either Spelling or Reading. Other Sections are devoted to Natural Science, Language, and *Belles-lettres*, in the same way. After trying this plan more than seven years, we believe that our labors are much more serviceable to our pupils than when we crowded several difficult studies on their attention at once.

3. GRADUATION IN PRIVATE.—Being convinced, after long experience, that Public Commencements involve great expense of time, labor, and money, without corresponding advantages, we have discontinued them entirely; and we are gratified to find that this innovation meets with constantly increasing favor.

4. GRADUATION NINE TIMES A YEAR.—At the end of any "Section," a pupil who has finished the Regular Course may close her connection with the College by graduation. The advantages of this feature are obvious.

5. A BEAUTIFUL GOLD GRADUATION PIN is given instead of a Diploma, if preferred.

6. TUITIONAL PREMIUMS.—Every regular pupil whose sectional average is eighty-five per cent., or more, is entitled to a discount of from ten to sixty per cent. from her next Section's regular tuition.

OUR ORGAN.—The NAIAD is a beautiful monthly newspaper, giving a fresh history of the actual working of the College, besides valuable matter of interest to every intelligent reader. Send for a specimen copy; or, better still, send 30 cents for a years' subscription.
